SUMMARY

Frontend Lead with 9 years in frontend, from engineer to team lead of up to 10 engineers. I build SaaS and e-commerce products with React, Next.js and TypeScript and have taken products from MVP to production. I set the architecture, standards and tooling that let a team ship on its own, hire engineers and grow mid-level developers into seniors.

SKILLS

- **Core:** React, Next.js, TypeScript, SSR, Frontend architecture, Feature-Sliced Design
- **State & data:** Redux Toolkit, TanStack Query, Zustand, GraphQL, REST
- **Styling & UI:** Tailwind, design systems, performance optimization
- **Testing & quality:** Jest, code review
- **Tooling & infra:** AWS, CI/CD, internal tooling and project templates
- **Leadership:** Team leadership, hiring, technical interviews, mentoring, 1-on-1s, performance reviews

EXPERIENCE

MetaProject — SaaS platform · Remote

Frontend Lead Nov 2025 – Present

Front-End Developer Jul 2025 – Nov 2025

Joined as a developer, moved to lead in four months.

- Lead frontend architecture and technical direction across several product modules (React, Next.js, TypeScript, GraphQL, REST).
- Introduced frontend standards and workflows so the team builds consistently.
- Build reusable UI patterns that make long-term product work simpler.
- Mentor engineers through code review and architecture discussions; work with product, backend and design on delivery.

You are launched — startup and SaaS products · Remote

Frontend Team Lead Jan 2024 – Jun 2025

- Led a team of up to 10 engineers on startup and SaaS applications (React, Next.js, TypeScript).
- Introduced Feature-Sliced Design architecture, which cut onboarding complexity and tech debt.
- Reworked sprint planning and review; teams shipped features up to 2× faster.
- Hired engineers for the team; ran 1-on-1s and performance reviews and grew mid-level engineers into seniors.
- Built internal tooling, documentation and standards that speed up project setup.

DFINITY — Web3, Internet Computer ecosystem · Remote (contract)

Front-End Developer Jan 2023 – Jul 2023

- Built React-based interfaces for blockchain products used by a global audience (React, TypeScript, Next.js, GraphQL).
- Redesigned product pages and built interactive UI with custom charts and visualizations.
- Improved performance and responsiveness across several product areas.

DROPSHOES — e-commerce platform · Remote

Development Team Lead Sep 2022 – Jan 2023

- Led a cross-functional team of developers, designers and QA; worked directly with stakeholders.
- Designed the frontend architecture (React, TypeScript, Next.js).
- Introduced testing and code-quality practices that improved stability; set up an Agile release process.

Hillel IT School · Remote (part-time, contract)

Lecturer, JavaScript and React Jun 2022 – Jan 2023

- Taught JavaScript and React to beginners; wrote practical assignments and course materials.

GoWombat · Remote

Front-End Developer Mar 2022 – Sep 2022

- Built client applications with React, Vue and Django; created reusable UI solutions.
- Took part in architecture planning and mentored junior developers.

Fourmeta — Shopify marketplaces and web products · Estonia (remote)

Development Team Lead Jun 2020 – Mar 2022

Frontend Developer Apr 2020 – Jun 2020

Promoted to lead within two months after taking ownership of frontend processes and delivery.

- Led frontend for Shopify marketplaces and product web apps (React, Django, Shopify, Liquid).
- Hired engineers; ran technical interviews, code reviews and mentoring.
- Built reusable React project templates and internal tooling that sped up onboarding and new project setup.

Earlier experience

- **EXSY** · Front-End Developer · Sep 2019 – Apr 2020 — React web apps with Redux, Material UI, React Bootstrap and PUG.
- **Hexide Digital** · Front-End Developer · May 2019 – Aug 2019 — Vue.js client sites with Vuex, SCSS, Webpack and Gulp.
- **Turboinsta** (Odesa, Ukraine) · Front-End Developer (HTML, CSS, JavaScript) · May 2017 – Apr 2019 — markup for company sites, CRM integrations and lead automation, Telegram bots; BEM, SASS, Gulp.
